2016 Sportive Secretary Report

This year I took on the role of Sportive Secretary and decided that if we wanted a Sportive champion then it was really important that there was an accurate record. To this end I have introduced sending out monthly emails to members asking for reports on their Sportive and Epic rides which have then been uploaded to both the St Ives website and the closed Facebook page. I now have an extensive list of completed rides which has helped me and the committee decide on the next champion. There have been some mighty impressive rides this year from members and some fantastic reports along with stunning photos. These reports are great for inspiring us all to go that one step further.

I would just like to thank everyone who took the time to send in their reports and hopefully there will be plenty more to come next year.

Many thanks
